I understand that my child must have an ATSM riding helmet, riding boots (or appropriate footwear with a heel), and a pair of full-length pants or riding britches for them to be able to participate in the horseback riding lesson. My child will follow all rules and directions of the staff.

If I am not able to pick up my child at camp and arrangements have been made with an alternate individual, I will provide a written letter giving permission for my child to leave camp with that individual.
